Organised Play

This consists of a series of 'round robins'.

Players are graded according to ability.

If you feel that your grading is incorrect please talk to the organisers.

Session organisers arrange players into groups of 4-5 with others of a similar grade.

Results sheets are provided and players are required to record and hand in their results.

If time permits a player will have games against all the other players in their group.

Players can also request time with a coach.

Please talk to the session organisers if you have any questions.

Outside the organised sessions players and parents/guardians can use tables on a first come basis.

Balls are provided but must be left on the table at the end of each round.
