A long-term behind the scenes office-holder, Dick was elected Treasurer in 1972 and re-elected unopposed every year until 1997. He finally stood down when the restructure came into effect. A Life Member since 1984, Dick was a reliable lower grade interclub player for several decades, and a fundraising stalwart at our Housie evenings and with our early raffles. He was a regular club night attendee in his early years and served a spell as Assistant Club Captain.

In 1963, Dick was boarding in Alicetown with George Blundell, a D grade payer at Empire. He was encouraged to come to a club session in September, just before the end of the season. He enjoyed it so much he came back the next season and a few years later he was involved as assistant club captain, assistant treasurer and Hutt Valley treasurer.

As assistant treasurer and then treasurer, Dick was involved in all types of fundraising. He was a regular on the raffle stall at the TAB with Ron Menchi. Dick recalls the other stalwarts of raffle stalls as being Ron Menchi, Isabel Cleland, John Kiley and the Hardings.

He has been treasurer of the New Zealand table Tennis Association 1986+/-.

He was treasurer for the Hutt Valley Table Tennis Association and then Table Tennis Wellington from March 1966 until March 2009. This also earned him life membership of the Hutt Valley Association.
