Our guest speaker is **Peter Horne**. Peter was a player at Empire in 1970s but also was a very successful lawn bowler. He won gold (singles) and bronze (pairs) in the Seoul Paralympics. He won 10 world titles in disabled bowls competitions. He will relive humorous moments from his world travels in search of gold medals.

Other attendees may wish to relive anecdotes at the dinner. This is an ideal opportunity to celebrate the contribution made to Empire by our elder statesmen Ron Menchi and Merv Allardyce. It will be a fun, relaxed evening of good food, views of the harbour and the sharing of memories.

See you there!
