Club History

In 1930, some enthusiastic Petone teenagers formed a cricket club and needed a name to affiliate with the Hutt Valley Association. Empire was chosen because it appeared on the sugar bags used for carrying their gear.

The cricketers were keen to stay together during the winter months and chose table tennis as their winter activity. In 1934 they became affiliated with Hutt Valley Table Tennis and the Empire Table Tennis Club was born.

The club's first stadium was erected in 1962 on the current stadium site. Major re-developments of the stadium occurred in 1970 and 2007.

Become a Member

Membership at Empire gives you:

- Reduced session rates
- Ability to compete in Interclub
- Ability to compete in the Club Championships
- Regular club newsletters
